Content specialist with seven years writing, editing and localizing for education and fintech brands. Owned the English to Portuguese pipeline for a 40-course catalog and rebuilt the editorial workflow that cut review time in half. Looking for a content or localization role where quality is measured, not assumed.

EXPERIENCE

Content Analyst / Halden Learning Group

Mar 2020 – Jun 2026

- **Editorial:** Wrote and edited course pages, newsletters and leadership communications for three business units, keeping one brand voice across 12 authors.
- **Localization:** Ran English to Portuguese translation for a 40-course catalog, building the glossary and QA checklist the vendors still use.
- **Workflow:** Moved review from email threads to a shared tracker, cutting the average approval cycle from 9 to 4 days.
- **Channels:** Managed the company blog and LinkedIn page, growing followers from 6k to 21k.

Marketing & Content Specialist / Larkspur Fintech

Sep 2018 – Feb 2020

- Produced and translated technical articles explaining payments and compliance topics to non-specialist readers.
- Designed social and email assets for four product launches.
- Handled the public inbox and community channels, escalating product issues to the support team.
- Wrote the style guide and glossary used by the two freelance writers hired after launch.

Creative Intern / Corvo Media

Jan 2018 – Aug 2018

- Wrote ad copy and email campaigns for retail and hospitality clients.

Customer Support Representative / Atlas Contact Center

May 2015 – Dec 2017

- Resolved high-volume inbound requests with a first-contact resolution rate above team target for 10 consecutive quarters.
- Kept CRM records accurate under strict SLA and quality-audit rules.
